# ASICON 2021

Appeal to  
all Surgeons and  
Postgraduates

The Annual Conference of the Association of Surgeons of India (ASICON) is the most worshiped event! It is an annual pilgrimage to many member surgeons who throng the event to learn advances in surgical science as well as have a bonhomie with fellow colleagues.

Unfortunately, the COVID-19 pandemic that struck us in 2020 and has hit us again in 2021 as the second wave, has forced us to go on a virtual platform. This virtual ASICON 2021 is scheduled between 17<sup>th</sup> and 19<sup>th</sup> December 2021. Keep these dates blocked and register early to avail the reduced registration fee. We can promise this time, a curtailed but robust scientific program coupled with possible cultural evening. The commitment would be Orations, Endowment Lectures, Symposia, Sectional programs, Inauguration, Convocation, General Body Meeting (GBM) and Valedictory function. The paper and poster presentations would take place a week prior to accommodate more scientific sessions and to give the paper presenters more prominence. We are sure that the timings will not hinder your with commitments through the day time.

The year 2021 has been a disaster for both surgeons and postgraduates. We have had loss of lives. We condole the loss of our surgeon members and non-members and doctors from other fraternity in trying to do their duty.

ASICON marks change of topmost leadership. This time, all three office bearers viz. President, Hon. Secretary and Hon. Treasurer will change. ASI will also have a new Executive committee in place. We are sure that the show will go on under the forthcoming leadership and wish them all the best.

Long live ASI

Abhay Dalvi | President 2021
